

Making a difference, one Chromebook at a time.

The Giving Tree at the 2017 Blue Ribbon Gala will be requesting donations to raise funds to purchase new Chromebooks for St. Elizabeth School.

The tools we provide the teachers will have a direct impact on our kids and how they learn.

Recently, SES added 14 new Chromebooks to our technology department, but we want to provide all students an opportunity to use them.

We ask you to join us as we help build a brighter future for our children by providing additional funding for the remaining Chromebooks needed.

Every contribution is important in reaching our goal!

All monies raised from the giving tree will go **directly** towards the purchasing of this technology.
